Dear Cholla Residents,

On Tuesday July 14, the City Council will conduct a public hearing on the proposed Fiscal Year 2016-2017 property tax levy and vote on a motion to adopt the property tax levy that would then be assessed by ordinance on June 28, 2016. If approved, the primary property tax rate would decrease from \$0.4898 per \$100 of assessed valuation to \$0.4792 per \$100 of assessed valuation. In addition, the secondary property tax rate would decrease from \$1.7067 per \$100 of assessed valuation to \$1.6698 per \$100 of assessed valuation. The total property tax rate would decrease from \$2.1965 to \$2.1490 per \$100 of assessed valuation for FY2016-2017.

Always feel free to contact me with your questions or concerns. I value your input and opinion.

Serve On A Glendale Board or Commission!

The City of Glendale's Boards and Commissions assist the City Council in making important policy decisions that impact our community. These citizen advisory groups research, study, and discuss specific issues with both short and long-term implications, and then forward their recommendations to the City Council. I encourage you to attend and submit an application for a Board or Commission.
